**Password:** Same as the old website and International's website

Click on **hyperlinks** or **titles** to find more content. Documents load into new windows and can be saved to your computer or printed from the web page.

**Search box:** Can only search non-password protected pages so use site map (in footer) instead when searching for items.

**Menu items:** At the top of the web page, each menu item (e.g. "P.E.O. Projects") has content but the sub-menu items also have content. Hover over the top menu name to see the sub menus and then use your mouse to point to the sub menu.
