

Cotley Care Packages

Tips:

To ensure delivery, send packages between September 1 and December 1 for the fall semester and from January 15 to May 1 for the spring semester. Students are away from campus during spring break, which is typically the first two weeks in March. Be sure to include a return address on the package to make it easier for the student or suite to send a thank you note.

Please limit your gift to less than \$50. Gifts over \$50 could impact a student's financial aid.
